**Founded in 1986, CCPG
is dedicated exclusively to helping
problem gamblers and their loved ones.**

**Over 1 million adults in California will
suffer from a gambling problem in their lifetimes.**

~ 2006 California Problem Gambling Prevalence Survey

**CCPG provides education
and outreach to raise
awareness of problem gambling.**

**Substance abuse is 3.6 times more common than gambling
disorder, but \$281 is spent on help services for each \$1 spent on gambling.**

~ 2013 National Problem Gambling Services Survey

**Help is available, and recovery
is possible - but awareness
must come first!**
